The Class of 1959

New London High School

New London, New Hampshire

Dedication

We, the class of 1959, wish to dedicate this yearbook to Mr. Bailey, our class advisor. We are sure that he has been one of the best possible advisors that anyone could ever have. Whenever we have needed him, he has been ready to help.

Thank you, Mr. Bailey, for everything.

Administration and Faculty

Principal's Message

To the Members of the Class of 1959:

For four years you have been anticipating the day in June when you will receive your diploma from New London High School. Now that the day is nearly here you are filled with mixed emotions.

How well you have applied yourself and how much you have taken advantage of the opportunities offered to you these past four years will determine, to some extent, how successful you will be in the future. Each of you knows whether or not you have done your best or if you have shirked along the way. Regardless of what you have done you should strive to do even better. The results will be a pleasant surprise to you.

The faculty joins me in congratulating you on your achievement and in wishing you success in the future.

Sincerely yours,

Robert J. Livingston
Principal

Superintendent's Message

To the Members of the Class of 1959:

Congratulations to each of you as you graduate--your work here is over.

The future holds many things in store for you. Success and happiness are generally measured in terms of the individual's ability and willingness to make the most of opportunities as they unfold. Further education --formal or informal--should provide one of the best means of shaping a happy and worthwhile existence for each of you.

As alumni, you now join with all other graduates in demonstrating the real value of New London High School. I am confident that your accomplishments will further justify our faith in you and serve to strengthen the good name of your school.

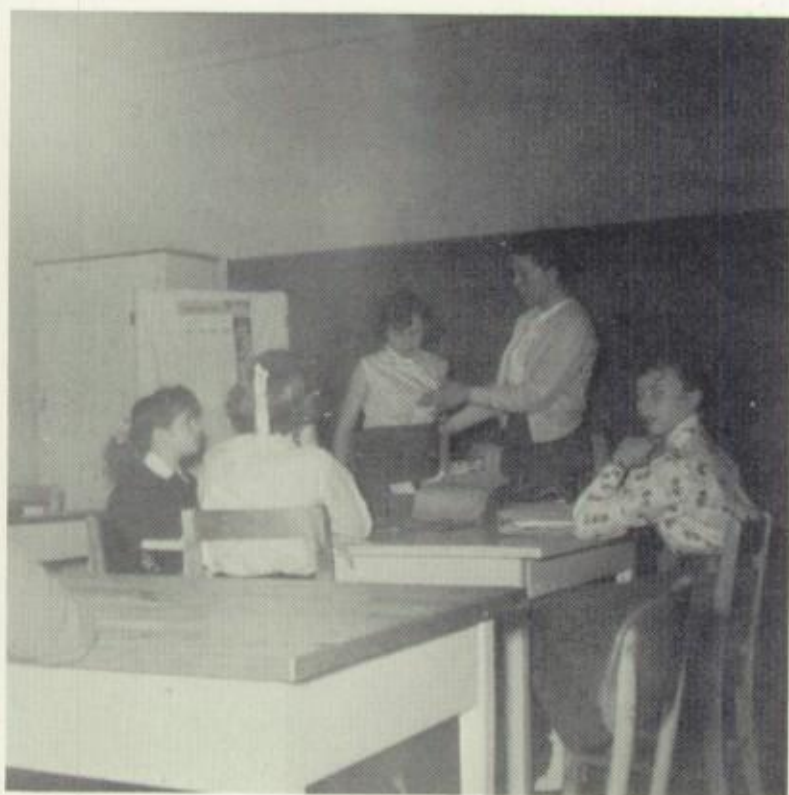

Cordially yours,

Gordon B. Flint
Superintendent of Schools

This is the year the girls have been waiting for. Having played 12 scheduled games and the Colby girls' team and the Towle girls' team, they lost only three games during the season, thus clinching the Granite League Title. This, of course, couldn't have been accomplished without the wonderful coaching of Mr. Bailey, and all the help from manager Linda Brown and assistant manager Sharon Wright.

The following Seniors are on the team: Gail Clemons, Janet Lovely, Sandra Lovering, Linda Sherburne, Judy Pond, Linda Kinsman, and Manager Linda Brown.

Considering the fact that five members of last year's team graduated last June, our 10-6 record was a good showing. It proved how hard Coach Hill and the team worked. We were invited to the tournament, but in the first game New London was defeated by Appleton. We are proud of our boys and the strong effort they made.

The Teen Commandments

1. Stop and think before you drink.
2. Don't let your parents down; they brought you up.
3. Be humble enough to obey. You'll be giving orders yourself some day.
4. At the first moment turn away from unclean thinking -- AT THE FIRST MOMENT.
5. Don't show off driving. If you want to race, go to Indianapolis.
6. Choose a date who would make a good mate.
7. Go to Church faithfully. The Creator gives us a week. Give Him back an hour.
8. Avoid "following the crowd." Be an engine, not a caboose.
9. Choose your companions carefully. You are what they are.
10. Or even better -- keep the original Ten Commandments.
